Printing materials for Polio Campaign PR 20-30-4-262

Page 2 of 10

#### 2. Invitation to Tender

Shafak was officially established in 2013, while it is founded during the early months of the Syrian Crisis in 2011. At its core, Shafak is a grassroots NGO that was formed by Syrians for Syrians, with the intent of addressing the needs of their life with dignity, equality and humanity with a focus on sustainability and autonomy.

Shafak is an impartial, independent, non-profit NGO that exists for the express purpose of providing humanitarian services to vulnerable people regardless of political or religious affiliations and on the long run to contribute to recover and rebuilding the society on freedom, justice and equality basis.

#### 1. Subject of the tender:

Shafak is looking for a qualified supplier/s to provide printing materials as described in Annex B.

SHAFAK, will issue a Basic Order Agreement (framework agreement) for the winning supplier/s. The Supplier will not be responsible to deliver all items at once. Shafak will issue Purchase Orders (POs), every time a quantity of the Printing materials needed. The first Purchase order quantity will be like as mentioned in Annex B under framework agreement, SHAFAK will not commit to purchase any Printing material till signing purchase order.

#### 2. Submission:

"Financial Offer" included financial Bidder Response file.

"Technical Offers" included the (A. Bidder Response Document, Printing material specifications)

• Envelopes must be stamped with the contractor's seal and must have a tender number.

Last date to submit offers is: 17 Mar 2020 at 17:00, Offers received after this time will not be considered.

The bids should be submitted to "Shafak office" as addressed below:

- Turkey Gaziantep HQ office
- 3. Tender Documents: A complete set of tender documents may be obtained by interested candidates by email or direct link and QR code, Suppliers can send an email to request for tender documents to the following email procurement@shafak.org
- 4. Bid Opening: Bids expect to be opened on 18 Mar 2020 in the presence of tender main committee and opening committee. Shafak reserves the right to verify information or request missing documentation as required.
- 5. Expected Contract Award The contract is expected to be awarded by 20 March 2020.

Page 3 of 10

### 4. General Conditions for Tender

- 3.1 The tender has been design by Shafak to seek potential supplier for the provision of Printing materials.
  - A. Required quantity: As a table Annex B, Quantities may increase or decrease based on project needs.
  - B. Start application: 12 March 2020
  - C. The deadline for application: 17 March 2020 at 17:00.
  - D. Payment terms: After 22 days after receiving and submission of all required documents (invoice, signed good receive note).
  - E. Currency: Bidder shall fill in all prices in USD while actual payment will be in Turkish Lira based on same day bank exchange rate of payment to supplier's bank account.

#### 3.2 Tender Basis:

- The working language of this Tender and Application is English.
- All applications shall be made in accordance with the Tender Documents.
- All Applicants will receive identical documents: No applicant should add, omit, or change any item, term or condition on original papers.
- If Applicants have any additional requests and conditions, these shall be stipulated in a separate letter accompanying their application.
- Each applicant may make one application only.
- Each application shall be valid for the period of 60 days from its date of submission.
- Applications shall be made in writing, with prices calculated in USD only.

#### 3.3 Applicants cannot apply if they:

- Have been convicted for an offense concerning professional conduct.
- Have been guilty of grave professional misconduct (proven by any means which the contracting authorities can justify).
- Are guilty of serious misinterpretation in supplying information.
- Are in situations of conflict or potential conflict of interest with Shafak.
- Were declared at serious fault of implementation owing to a breach of their contractual obligations.
- **3.4 Tender Evaluation**: Shafak will check the tenders to ensure that they contain no amendment to the terms or any other (calculation) errors. Quotations will be evaluated on a Lowest Price Technically Acceptable basis, as set forth below. Shafak Organization shall first evaluate the non-price elements of the quotation to determine whether they are acceptable or not acceptable. In conducting its evaluation, Shafak Organization may seek information from any source it deems appropriate to obtain or validate information regarding acceptability of Supplier's quotation. Award will be made to the technically acceptable quotation with the lowest evaluated price. Shafak reserves the right to accept or reject any or all bids, and to accept the bid deemed to be in the best interest of the Shafak. Shafak will not be responsible for any pay for any expenses or losses which may be incurred by any Tenderer in the preparation of his Tender. Shafak is not bound to accept the lowest price bid submitted. The award criteria shall be based on the proposal's overall "value for money" while taking into consideration donor and internal requirements and regulations.
